Trip duration by age

A map of the study area, showing land parcels outlined in blue. The map includes several labeled parcels: 07087, 07307, 07030, 07310, 07306, 07304, 07305, 07302, 07311, 10282, 10281, 10280, 10006, and 10007. The map also shows a network of roads and a body of water on the right side. Numerous sampling locations are marked with yellow dots, and one location is marked with a red dot. The map is oriented with North at the top.
